STATEMENT OF SUPPORT BETWEEN CORPORATE PARTNERS AND THE UNITED STATES ARMY

We recognize that Army spouses are a diverse and talented candidate pool.

In the highest American tradition, the spouses of patriotic men and women of the Army serve voluntarily and provide support to the Army and its soldiers, enhancing the well being of the Army Family.

Whereas the Army commits to facilitate a focused and expanding partnership where Army spouses and Corporate America benefit from their mutual involvement. This partnership will afford Army spouses the opportunity to better meet employment goals, career sustainment and mobility and increased family financial security.

Therefore, we join with the Army and other employers in pledging:

1. **our best efforts to increase employment opportunities for Army spouses and resources for Corporate America.**
2. **to facilitate the employment of Army spouses to the mutual benefit of the Army and Corporate America.**
3. **to make this Statement of Support known throughout the Army and our Corporation.**
