UNITED STATES SOUTHERN COMMAND

Movement Support
SCO Conference Oct 10

OPR: SCJ4 OPERATIONS

Mr. Timothy Cooper

29 October 2010

Agenda

- Purpose
- SOUTHCOM J4/Operations
- Personal Property
- Challenges

Purpose

Provide you, our customers, with the most efficient, cost-effective movement support

What We Do

- Synchronize and optimize movement resources in order to maximize distribution, force deployments, and sustainment
- Validate Requirements
- Coordinate & Monitor Movements
- Evaluate Transportation Business Processes

Personal Property

- **Household Goods (HHG)**
  - **Mode changed from military air to surface (ocean)**
    - **Cost effective/time friendly**
    - **Reduce reliance on AMC flights**
    - **Reduction in split shipments**
- **Privately Owned Vehicles (POV)**
  - **Moved via surface only**
    - **SCJ4/Operations only has visibility when owner requests assistance and provides Government Bill of Lading (GBL) data**

Movement

WHAT	HOW	WHO PAYS
HHGs	Surface & Air	Service Branch
POVs	Surface	Service Branch
Rations (DeCA)	Air	ARSOUTH-HQDA

Challenges

- Customs
- Loss of strategic air/competing priorities
- Limited US presence
- Inefficiencies of limited transportation assets
- Country/Diplomatic Clearance - Foreign Clearance Guide: DODR 4500.54G - Can not send HHGs before member
