

COMMANDER'S PHILOSOPHY

SECURITY, STABILITY, PARTNERSHIP

We are an innovative, learning, forward leaning joint and interagency organization supporting U.S. and international efforts to improve the security, stability, and prosperity across the Americas. We build trust and confidence with our joint, interagency, and international partners. Our organizational character will reflect the following traits:

Douglas Fraser
Gen, US Air Force
Commander

ACT WITH INTEGRITY

Tell the Truth - Don't break laws or regulations.

PARTNER

Build enduring teams and relationships. Build on one another's strengths -- we win together.

BUILD TRUST

Embrace one another. Trust one another. Listen. Communicate openly and directly.

BE INNOVATIVE

Find a better way to do the job. Then look again and make it better. Then look again and make it even better.

PERSEVERE

Find a way to make good things happen.

SMILE

Be positive. Stay fit. Enjoy what we do. It matters, you matter.
