

Make a Plan - Identify your risk - use county resources

Consider location, Storm Surge, Construction, Preparations

Miami Dade: Website and Surge Zone Mapping

Broward: Website and Evacuation Map and Surge Zones

Other resources: <http://readysouthflorida.org>; <http://floridadisaster.org>

If not evacuating: Identify the safe room in your house and create kit

Talk the plan over with your family and rehearse your plan.

Consider family members with special needs.

Consider your pets and have a plan for them.

Inform your relatives and supervisor of your evacuation plan.

Emergency Communication

Information (ph and email-hard copy):

Family

Doctor

School

Work

Insurance company
