

## Who Is Eligible For Discounts?

The purpose of the Discount Directory is to provide a listing of discounts for active duty & reserve duty personnel & their dependents who serve in the following organizations:

US Army  
US Air Force  
US Marines  
US Navy  
US Coast Guard

Each service person & their dependents up to the age of 18 have a plastic, photo ID card similar to a Florida driver's license. The card indicates their status in the upper right-hand corner & may indicate one of the following:

Active  
Reserve  
Dependent

Retired military personnel also carry an ID card. Of course, companies may extend discounts to retired military personnel. However, the intent of this directory is to list discounts provided to active, reserve, & dependent personnel.

• **Miami Dade Defense Alliance** •

There are approximately 4,000 active duty & reserve military positions in Miami-Dade County's three military organizations. When dependents are included & the frequent turnover is factored in, the number is significantly larger – up to 10,000 persons in any given year.

## **What Is The Need For Discounts?**

The companies in the Discount Directory have answered the call to support active duty & reserve military in our community & provide discounts for goods & services. The south Florida business community recognizes that our cost of living is high when compared to other military assignment locations. Pay supplements do not make up that difference. This Discount Directory was assembled in answer to requests from the local military to assist their personnel.

## **How Did Companies Participate?**

The MDDA marketed the opportunity to be included in the Discount Directory through area chambers of commerce and economic development organizations. However, companies do not have to be a member of any particular organization or group to be included in the Directory.

• **Miami Dade Defense Alliance** •

Military personnel should be aware that some companies offer discounts directly to individual military installations. The Discount Directory effort did not attempt to include all previously advertised discounts to individual installations.

Over 200 companies are listed in the pages to follow.

## **The MDDA & its Community Partners**

The MDDA is a program of the Beacon Council that acts as an umbrella organization to implement various grant projects supporting the military in Miami-Dade County.

MDDA membership is comprised primarily of persons who are members of the Military Affairs Committees (MACs) of:

**Chamber South  
Homestead / Florida City Chamber  
Greater Miami Chamber**

The MDDA & the MACs support Miami-Dade County's military, work to educate & expand awareness about the military & make the community more military friendly.

***Thank You To Miami-Dade County's Military***
