- Challenges

UNCLASSIFIED

Purpose

Provide you, our customers, with the most efficient, cost-effective movement support available.

UNCLASSIFIED

What We Do

- Synchronize and optimize movement resources in order to maximize distribution, force deployments, and sustainment
- Validate Requirements
- Coordinate & Monitor Movements
- Evaluate Transportation Business Processes

UNCLASSIFIED

Personal Property

➤ Household Goods (HHG)

- ✓ Mode changed from military air to surface (ocean)
 - Cost effective/time friendly
 - Reduce reliance on AMC flights
 - Reduction in split shipments

➤ Privately Owned Vehicles (POV)

- ✓ Moved via surface only
 - ES-LOG/OPS only has visibility when owner requests assistance and provides Government Bill of Lading (GBL) data
