- 24 x 7 Urgent Care Capacities
 - Urgent Medical Transports
- Governed by TRICARE Policies

PHILADELPHIA ALARM CENTER

We're always open for you!

Philadelphia TRICARE Contact Info

- Philadelphia Office Contact Info:
 - 1-800-834-5514
 - 1-215-701-2800
 - tricarephl@internationalsos.com
 - phlopsmed@internationalsos.com (monitored 24/7)

Who is in our Network?

- Primary Care Doctors (PCP)
- Specialists
- Dentists
- Laboratories
- Hospitals
- Specialty Clinics

Using the System- PCP

Primary Care Providers (PCP)

- Pediatricians
- Ob/Gyn
- General Practice
- Family Medicine
- Internist

Using the System-PCP

- Call or email the 24 hour PCM Call Center for a referral or notification of appointment
 - 1-800-834-5514 / 1-215-701-2800
 - tricarephl@internationalsos.com OR phlopsmed@internationalsos.com
- Some providers do not require our Guarantee of Payment letter, others do. This is provider specific.

Using the System-Specialist

Specialist Care

- Fax or email the 24 hour PCM call center (International SOS) for notification/ authorization
- If it is urgent, please CALL us to ensure that we are aware of your situation.
- Would appreciate 48 - 72 hours notification of routine appointments for pre-authorization and issuance of Guarantee of Payment Letter (GOP)
- If continued treatments are needed, a treatment plan must be submitted for review and authorization. Guarantee of Payment for 1 consultation does not guarantee future consultations.

Using the System – Physicals

ADFM Routine Physicals

- Comprehensive Health Promotion and Disease Prevention Examinations For ages 24 months or older: One comprehensive disease prevention clinical evaluation and follow up during age intervals: 2-4; 5-11; 12-17; 18-39; 40-64.

ADSM Military Required Physicals

- Service requirements, such as military physicals, are not covered by TRICARE but rather through their unit.
 - Exceptions **may** be considered with a letter from the Command outlining the type of physical, military requirement, the specific test(s) required, who will review the results and permission to obtain these tests overseas.
 - The letter is sent to the TLAC Medical Director for approval.

Specialty Care

Physical Therapy

- GOP for small increments of therapy with periodic updates needed. Treatment plan required with progress and goals for ongoing authorization.

Mental Health

- After the initial 8 sessions of therapy, an Outpatient Mental Health Form must be completed prior to proceeding with more sessions
- TLAC will be notified of all AD/SM mental health requests

Using the System-Hospitalization

Hospitalization

- Whenever possible, call International SOS immediately, upon admission to the hospital
- If not possible, please contact International SOS before discharge from the hospital
- Intl SOS will medically monitor all hospitalizations
- Scheduled hospitalization/surgery must be preauthorized and require estimated costs.

Using the System- Emergency

Emergency Care

- Whenever possible, call International SOS first
- If not possible, proceed directly to the Network Hospital, or closest facility and contact International SOS as soon as possible

Obtaining Care in CONUS

****Make sure to carry your military ID cards and current TRICARE Prime cards when traveling, as the information necessary for providers to file claims is located on the back of the Tricare Prime card.****

Active Duty Service Members (ADSM)

- ADSM are required to obtain prior authorization for all non-emergent civilian care.
- ADSM should go to the nearest MTF for all non-urgent care.
- ADSM may go to the closest Emergency Room for any perceived medical emergency.

Active Duty Family Members (ADFM)

- When traveling in CONUS, ADFM do not require preauthorization for any covered benefits, with the exception of inpatient mental health.
- A specialty provider may require a referral to be sure that you have seen a primary care physician first. This is not a TRICARE requirement, as long as the care is a covered benefit.

Obtaining Care in CONUS

www.tricare.mil

The screenshot shows the TRICARE website homepage. At the top left is the TRICARE logo. Below it is a navigation bar with a red star icon and the text "Tropical Storm/Hurricane Updates". The main content area is divided into two columns. The left column has two sections: "TRICARE Benefit Information" and "TRICARE Management Activity". The right column has three sections: "Announcements", "Additional Resources", and "TRICARE Online".

MEDEVACS

MEDEVACS:URGENT

Urgent Medevac to CONUS

- **Contact International SOS first**
- Intl SOS will contact TLAC and Southcom keeping all parties informed.
- Intl SOS will contact the treating physician and obtain a medical report.
- Intl SOS will arrange receiving care in coordination with TLAC.

MEDEVACS-URGENT

- Intl SOS will monitor the patient until departure
- Intl SOS will arrange the entire transfer from bed to bed.
- Intl SOS will confirm safe arrival and notify TLAC and Southcom.

MEDEVACS Non-URGENT

Non-urgent Out of Country Request:

- All supporting documentation and the Out of Country Medical Request Form must be faxed to Intl SOS
- Request will be reviewed by Intl SOS medical team and recommendation made.
- TLAC will review recommendation for approval and make the arrangements
- Once approved, TLAC coordinates with Intl SOS on any follow up care that will be needed OCONUS for Intl SOS to arrange and coordinate

TRAVEL BENEFIT

TDY/TAD

- ONLY urgent / emergent care will be approved
- Approval is for the immediate need
- MUST have COPY OF ORDERS if on Annual Training
- If deployed on a ship NAME of ship is REQUIRED

DENTAL

Family Members

All authorization is handled through United Concordia (UCCI) except orthodontic care, which is preauthorized by TMA TLAC Dental Director

www.ucci.com

1-800-866-8499

1-717-975-5017

DENTAL

Active Duty members

- Routine consult every 6 months
- Dental expenses greater than \$500USD, must have pre-authorization. In order to expedite the pre-authorization, you must submit a treatment plan, x-rays, cost and dental models depending on the treatment requested.
- Authorization for treatment plans may take several weeks and is dependant on complete treatment plan and supporting materials submission.
- Not covered:
 - Cosmetic procedures such as bleaching are not covered
 - Sealants
 - Fluoride
 - Orthodontic care cannot be initiated OCONUS

Network

- TLAC and Intl SOS have mutually agreed on right-sizing some of the networks throughout Latin America/Caribbean
 - Avoid diluting network to insure provider familiarity with the program
 - Maintain current credentialing
- New Providers will only be added after it its determined that there is a need and they have been credentialed
- Credentialing process may take several months, depends on the cooperation of the provider

Network

Disadvantages in failing to use the System

- Providers are not familiar with billing procedures
- Not always willing to provide a medical report and copies of X-rays, labs, etc.
- Difficult to evaluate the quality of care being provided
- Out of pocket expense
 - ADSM will not be reimbursed
 - ADFM Point of Service Charge
- Slows down any OCMR request

Network

- Prime Authorization Form (PAF)
 - In those cases where International SOS referred you to a non-network provider and you need to pay out of pocket for the services, International SOS will issue a PAF.
 - The PAF is the authorization and this must be submitted to WPS along with your receipt and claim form in order to be reimbursed fully.
 - Always keep a copy of the receipt, the claim form and the PAF in case there is any question later.
 - PAF will not be issued if you chose to go out of network on your own.

NETWORK

- Credentialing
- Site surveys

Credentialing Process

All non-Institutional providers are credentialed based upon Western Standards and host-nation laws

- Medical/Professional training
- Licensure
- English language proficiency (PCP)
- Malpractice History
- Professional Reputation
- Standing in community

Credentialing

Institutional Providers

- Intl SOS performs on-site inspection of facility
 - Identifies Life-Safety issues
 - Identifies safety of blood supply
 - Verifies proper sterilization procedures in place

Credentialing

Institutional Providers (cont).

- Intl SOS performs on-site inspection of facility
- Verifies presence of essential medical equipment
- Inspects Operating Rooms, Wards, ICUs
- Verifies appropriateness of staffing levels
- Inspects Emergency Room facilities

NETWORK:

Site Surveys completed in the last year

- Argentina
- Ecuador
- Honduras
- Nicaragua
- Paraguay
- Curacao
- El Salvador
- Panama
- Trinidad & Tobago

Upcoming Network Site Surveys

- Suriname
- Haiti
- Mexico
- Belize
- Bahamas
- Dominican Republic
- Brazil

Provider Claims

- If you hear of a provider complaining about payment issues, please advise them to contact us directly and/or let us know so that we can address it.
- Problems that slow down Claims Processing:
 - Incomplete claims
 - > MISSING: SSN, complete patient name, date of service, amount due, payment information, diagnosis
 - Lack of pre-authorization for specialty consults and diagnostics
 - Enrollment issues

Feedback

- Town Hall meetings which provide feedback on services and network during our site surveys
- Invaluable POC feedback
- Intl SOS Surveys
 - All survey responses are reviewed by Quality Assurance team for potential process improvements
