- University of Alabama-Birmingham
- University of Miami (Global Institute)
- Venezuelan American Medical Association

Previous USNS Comfort deployments to Latin America and the Caribbean:

- 2007, 2009, 2011, 2015, 2018, 2019, and 2022 – Continuing Promise
- 2010 – Operation Unified Response (*Haiti earthquake relief mission*)

NOTE: CP25 is USNS Comfort’s ninth deployment to the region under U.S. Southern Command and its eighth in support of a Continuing Promise mission. USNS Comfort personnel have treated more than **497,000 patients** (*more than 83 percent of the patients treated during all CP missions*) and performed more than **6,850 surgeries**. In addition, the Comfort was deployed to Haiti as part of Operation Unified Response after the 2010 magnitude 7.0 earthquake there, where its team treated **871 patients** and performed **843 surgeries**.

Previous CONTINUING PROMISE missions in Latin America and the Caribbean:

- 2007 – USNS Comfort
- 2008 – USS Boxer (*amphibious ship*)
- 2008 – USS Kearsarge (*amphibious ship*)
- 2009 – USNS Comfort
- 2010 – USS Iwo Jima (*amphibious ship*)
- 2011 – USNS Comfort
- 2013 – CP13 was a Medical Subject Matter Expert Exchange mission (*no ship*)
- 2015 – USNS Comfort
- 2017 – USNS Spearhead (*expeditionary fast transport vessel*)
- 2018 – USNS Comfort
- 2018 – USNS Spearhead (*expeditionary fast transport vessel*)
- 2019 – USNS Comfort
- 2022 – USNS Comfort
- 2023 – USNS Burlington
- 2024 – USNS Burlington

NOTE: 2025 is the 16th Continuing Promise mission, and since 2007 its medical personnel have treated more than **601,000 patients** and performed approximately **7,300 surgeries**. When combined with veterinary services, subject matter expert exchanges, engineering projects, community relations events and band performances, Continuing Promise has positively impacted more people in our partner nations than any other deployment series in U.S. Navy history.
