Dear [Newcomer](#),

Congratulations on your assignment to US Army Garrison – Miami ([USAG-M](#)), home to US Southern Command ([SOUTHCOM](#)), Marine Forces South ([MARFORSOUTH](#)), and other elite tenants. On behalf of ADM Faller as well as your assigned sponsor, we are pleased to welcome you to the command.

Located in the [Miami](#) suburb of [Doral](#), the Garrison complex consists of the Headquarters building, a conference center, and several Garrison-level services like the fitness center, [medical clinic](#), child development center, AAFES shoppette, café, dry-cleaners, barber, ID card station (DEERS), and [Family & MWR](#), among others.

[Housing](#) (click “Miami (SOUTHCOM) under “Select your Installation”) is limited to unaccompanied E-5s and below, and select senior staff. Other housing is plentiful although most people spend 30 minutes or more commuting in to Doral from the north or the south. Don’t forget to check in early and often with the housing office in order to assist you with your housing search.

South Florida boasts of beautiful beaches, intricate waterways, the incredible Everglades, a vast array of arts, sports, fashion, and sciences, as well as acting as the gateway to the Florida Keys. In your off-duty time, you will be spoiled for choice. For spouses of U.S. Southern Command personnel both inside and outside of the United States, there is a [Facebook Page](#) performing as a forum for news, photos, and questions about life as a military or civilian spouse.

Again, welcome to SOUTHCOM and the enabling commands. If there is anything the team can do to assist you with this move, please discuss directly with your sponsor. If you need more than your sponsor can offer, please contact Garrison [Army Community Services](#) at 302-437-2665 (DSN 312-567-2665) for resources or to forward you to the responsible component or service desk A1/G1/N1/S1/J1.
